**INDICATIVE SAVINGS PROPOSALS 2019/20**

Ref No.	Portfolio	Service Area	Savings Proposals	Impact on Level of Service & Service Outcomes	Saving 2019/20 £
<b>Adult Social Care, Public Health &amp; Housing Needs</b>					
1	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Commissioning	Remove duplication within contracts - Cessation of Red Cross short term equipment contract provided to Community Equipment Store	This will not impact negatively on people needing equipment. All requirements can be managed by the Integrated Community Equipment store.	68,700
2	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Commissioning	Re-tendering of Healthwatch and Health Complaints Advocacy contract	No impact - These contracts have already been re-tendered and savings secured with no reduction in the level of service provided	6,800
3	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Commissioning	Re-tendering of Voluntary & Community Sector (VCS) Infrastructure contract.	This contract was recommissioned with a more outcome focussed specification. It has been successfully retendered at the lower cost. The new contract continues to provide the VCS with vital infrastructure support to enable it to function effectively.	10,000
4	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Service Delivery	Review of all people receiving a home support package of 1 visit per day of 1 hour or less and, only if appropriate, provide alternative care and support	The provision of low levels of support is recognised as being key to avoiding people facing a crisis. Half of the current budget will be retained and by working with colleagues in the Voluntary and Community Sector needs will continue to be met but by providing support differently, including better use of Personal Assistants. All those affected will first have a review carried out to ensure that any changes to care packages properly meet clients needs.	253,300
5	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Business & Market Development	Full year effect of the approved changes to the non-residential care charging policy.	No further impact on clients - the policy change has been fully implemented on a means tested basis as approved in November 2017.	255,700
6	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Service Delivery	Reconfiguration of Mental Health (MH) Day Centres (Wellbeing Centres)	Three day care centres are currently in operation. One centre having as few as 3 clients attending per day. Through joint working with the Clinical Commissioning Group, better value for money and improved outcomes can be achieved. All 87 people that use ASC MH day centres will have a review of their needs and a plan for alternative community provision that will reduce social isolation and depression; gain access to alternative provision such as Serenity; and use Direct payments so that they can choose how to better spend their days. The remaining 25% of the budget will be used to reconfigure MH day services jointly with the CCG.	142,700

Ref No.	Portfolio	Service Area	Savings Proposals	Impact on Level of Service & Service Outcomes	Saving 2019/20 £
7	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Service Delivery	Review and modernisation of internal Mobile Nights service	Replacement of the mobile nights service (currently used by 16 people) with the provision of specialist equipment that can support people instead. For instance, the provision of kito beds which can turn someone in bed automatically, thereby obviating the need for two people to have to do so. All current service users will receive a comprehensive review in order to determine the precise replacement equipment to properly meet their needs. Provision has been made in the Capital Programme to fund the equipment required - see capital scheme reference number 11	102,000
8	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Service Delivery	Ongoing review of all care packages	Part of the continuous reviews of care packages by qualified social workers to identify where care and support can be appropriately changed, helping clients to maintain their independence whilst properly meeting their eligible care needs. This will include the expansion in the use of direct payments as opposed to commissioned care packages; negotiating with providers where a review reveals that the levels of care can be appropriately changed in accordance with the person's needs; and moving people from residential care into alternative forms of more independent provision such as supported living.	1,000,000
9	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Service Delivery	Review and reconfiguration of Day Care opportunities at Adelaide & Gouldings, including the review of charges	An increase in the charges for services to better reflect the cost of providing the services and become more comparable with the external market.	20,800
10	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Service Delivery	Review and reconfiguration of internal Learning Disability residential homes to explore more independent arrangements through Supported Living.	Change to more Supported Living options with improved outcomes - more choice and control for people - more efficient respite support providing better consistency. This will also involve the re-registration of internal homes as supported living services wherever possible - enabling residents to have rights of tenancy and access to welfare benefits denied them whilst living in residential care.	160,500
11	Adult Social Care, Public Health & Housing Needs	Adult Social Care - Business & Market Development	Additional Deputyship income due to an increase in activity levels	No impact - This is the level of income currently being achieved	50,000
